

# Seminar “Pedagogy during illness” Winter Semester 2025/26

## Seminar “Hospital Pedagogy” in Winter Semester 2025/26

We invite all students of **teaching profession, educational sciences, psychology, public health, medicine and related subjects** to participate in an interdisciplinary seminar that focuses on the basic concepts of the aspiring field of **Hospital Pedagogy**, with a focus on practical implementation of your learnings.

In a cooperative fashion we will address concepts, professional persona and skillsets as a hospital pedagogue and also take social implications as well as ethical concerns into account. The seminar will take place on **thursdays from 4 to 6 p.m.** and will be held **in English and German**. It has a hybrid format (in attendance at **Leopoldstraße 13, room 2301** and **via Zoom**).

**10/23/25: constitutive meeting** (via Zoom)

**10/30/25: basic concepts of hospital pedagogy**

**11/06/25: “professional attitudes” as a hospital pedagogue**

**11/13/25: from student to patient - anthropological and pedagogical aspects**

**11/20/25: methods of hospital pedagogy**

**11/27/25: intercultural education in hospital settings**

**12/04/25: inclusion and diversity in hospital pedagogy**

**12/11/25: biographical learning in hospital pedagogy**

**12/18/25: resilience, well-being & health-literacy**

**01/08/26: ethical aspects in hospital pedagogy**

**01/15/26: future workshop - hospital pedagogy in the healthcare of the future**

**01/22/26: final meeting - synthesis**
